

FLORIDA ♦ MEDIATION ♦ GROUP

Dear Friends and Colleagues,

After forty years of extensive trial and mediation experience, I am pleased to announce I have joined Florida Mediation Group, while continuing my law practice with The Wechsler Law Group, LLC. I chose Florida Mediation Group for their outstanding reputation, the experience and quality of their mediators and the excellent service provided by their efficient staff of Case Administrators.

I will continue to mediate and practice law state-wide in the fields of product liability, personal injury and wrongful death, mass torts, catastrophic injuries, insurance coverage and disputes issues, professional negligence, asbestos, premises liability, motor vehicle crashworthiness, and complex commercial disputes.

In my litigation experience I have represented a wide range of clients, both plaintiffs and defendants, including automobile and product manufacturers, insurance companies, individuals, corporations, government entities, utility companies, hospitals, physicians and accountants.

So what do you get when you select me as your Mediator? My approach to Mediation allows the parties to be the author of their own fate, facilitating discussions to maximize a fair settlement and resolution. In addition I seek to understand the motivations, interests, biases, and emotions of the parties and counsel. In short my role is to help you and your client make the very best decision possible in light of the great uncertainty, risk, ambiguity, and emotion. While listening carefully to all participants on multiple levels, I can best help to create meaning and assist in avoiding decisional errors that often occur.

I look forward to working with you and your clients in reaching a successful resolution as your chosen mediator. Please contact Florida Mediation Group to schedule your next mediation at 800-247-9990 or 305-579-9990. For additional information, please see my resume on the website of floridamediation.com.

Very truly yours,
